

## *Usage by Socioeconomic Status\**

	2006	2007	2008	2009
% KPS graduates classified as economically disadvantaged	48	50	59	59
% Promise-eligible students classified as economically disadvantaged	46	49	58	58
% students using the Promise who were at any time classified as economically disadvantaged	43	46	56	60

*Usage of Kalamazoo Promise by low-income students closely matches demographics of school district.*

\* "Economically disadvantaged" = Free & Reduced meal status while at KPS. Data is biased downward for all categories, and especially for 2006 and 2007 graduates, because only most recent five years of data is available.
