Source: The Kalamazoo Promise, updated June 2023

*Data for this category are only recorded for 2011 and later.

**Data are suppressed because of low totals.

The usage is lower for later cohorts because they have not had as much time to take advantage of their Promise.

The classes of 2020-2022 graduated high school during the COVID-19 pandemic, therefore their Promise usage and college enrollment numbers differ from earlier classes.
