Promise research by outcome area

September 2018

This list represents scholarly research into the impacts of place-based scholarship or “Promise” programs across the three outcome areas of K-12 education, post-secondary education, and community-level impacts.

General

Impacts on K-12 Education

Gonzalez, Gabriella, C., Robert Bozik, Lindsay Daugherty, Ethan Scherer, Reema Singh, Mònica Jacobo Suárez, and Sarah Ryan. 2014. Transforming an Urban School System:

Post-Secondary Impacts

Community-level Impacts

Note to researchers: If you have carried out or know of research that should be a part of this bibliography, please send bibliographic information to miller-adams@upjohn.org.
